

# Ask 3 Questions

Sometimes there will be **choices** to make about your healthcare. If you are asked to make a choice, make sure you get the answers to these **3** questions:

what are my  
**options?**

what are the possible  
**benefits** and **risks?**

how can we make  
a decision **together**  
that is **right for me?**

**MAGIC**   
Making good decisions in collaboration

We want to know what's  
important to you
